enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum testiculatum Vis. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 424. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tetragonum Mill. -- Gard. Dict., ed. 8. n. 3. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tetramerum Standl. & C.V.Morton -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1045. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tetramerum Standl. & C.V.Morton -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1045. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tomatiforme Fingerh. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 279. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tomentosum (Sendtn.) Kuntze as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tomentosum (Sendtn.) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tomentosum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum torulosum Hort.Matr. ex Hornem. -- Hort. Hafn. Suppl. 27. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum torulosum Vell. -- Fl. Flumin. 60. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 4. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tournefortii Besser -- Cat. Hort. Crem. (1811) 27. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tovarii Eshbaugh, P.G.Sm. & Nickrent -- Brittonia 35(1): 55 (1983). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum tovarii Eshbaugh, P.G.Sm. & Nickrent -- Brittonia 35: 55 (-56), fig. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum toxicarium Poepp. ex Fingerh. -- Monog. 32. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum umbilicatum Vell. -- Fl. Flumin. 61. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 7. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum ustulatum Paxton -- Mag. Bot. v. 197. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum vargasii (Dunal ex DC.) Kuntze as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum vargasii (Dunal) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum vargasii Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum affine Pers. -- Syn. Pl. [Persoon] 1: 230. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum affine Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 60. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum africanum auct. ex Francey -- Candollea vii. 87 (1936), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides Desf. -- Tabl. École Bot. 70. 1804 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides var. obovato-orbiculare Dunal -- Prodr. [A. P. de Candolle] 13(1): 625. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides var. obovato-orbiculare Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albopunctatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 635. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albopunctatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 635. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albotomentosum Dammer ex Francey -- Candollea vi. 152 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albotomentosum Dammer ex Francey -- Candollea 6: 152. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum album Ferrero ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 605. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium O.E.Schulz -- Symb. Antill. (Urban). 6(2): 270. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz -- Symb. Antill. (Urban). 6(2): 270. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz var. mitanthum O.E.Schulz -- Symb. Antill. (Urban). 6(2): 273. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick

Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz var. pendulinum (Jacq.) O.E.Schulz -- Symb. Antill. (Urban). 6(2): 272. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ambatense Francey -- Candollea vi. 169 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ambatense Francey -- Candollea 6: 169. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amelanchier Dunal -- Prodr. [A. P. de Candolle] 13(1): 662. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum Schltdl. -- Linnaea 7: 64. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. angustifolium Francey -- Candollea 7 (preprint): 77. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum f. elongatum Francey -- Candollea 7(preprint): 78. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. latifolium Francey -- Candollea 7 (preprint): 77. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. longiflorum (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 645. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. longiflorum (Sendtn.) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. longiflorum (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 645. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. longifolium (Sendtn.) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. organense (Miers) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. organense (Miers) Dunal -- Prodr. [A. P. de Candolle] 13(1): 644. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum f. paranense Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 369. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. parviflorum (Sendtn.) Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. parviflorum (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 645. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum atroxanthum Kuntze -- Revis. Gen. Pl. 3[3]: 219. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- 31 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- Edwards's Bot. Reg. 30(Misc.): 71. 1844 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- Edwards' Botanical Register 30 1844 Misc. p. 71 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Mey. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 337. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. chaculanum (Loes.) Francey -- Candollea 6: 104. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. flavum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. macrocalyx Francey ex Cufod. -- Arch. Bot. Sist. 10: 45. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. regelii (Planch.) Voss as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. regelii (Planch.) Voss in Vilm. -- Vilm. Blumengärtn., ed. 3. 1: 726. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. warszewiczii (Klotzsch) Francey -- Candollea 6: 103. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. warszewiczii (Klotzsch) Voss in Vilm. -- Vilm. Blumengärtn., ed. 3. 1: 726. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. warszewiczii (Klotzsch) Voss as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum auriculatum L'Hér. -- Stirp. Nov. 71. t. 35. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum auriculatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 28, t. 155 f. a. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum axillare Vell. -- Fl. Flumin. 101. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 6. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb. & Ekman -- Ark. Bot. 22A(10): 52. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb., Ekman & O.E.Schulz -- Repert. Spec. Nov. Regni Veg. 32: 89, descr. ampl. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb. & Ekman -- Ark. Bot. 22A(10): 52. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii Lingelsh. var. angustifolium Francey -- Candollea 6: 312. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii var. exstipulatum (Sendtn.) Francey -- Candollea 6: 312. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense Britton -- Bull. New York Bot. Gard. iv. 123 (1906). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense Britton -- Bull. New York Bot. Gard. 4: 123. 1905 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense var. latifolium Francey -- Candollea 6: 239. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bella-sombra Dunal -- Prodr. [A. P. de Candolle] 13(1): 632. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum benthamii Miers -- London J. Bot. 5: 151. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor Urb. -- Ark. Bot. 17(7): 25. 1921 [printed 29 Nov 1921; issue date may have been somewhat later] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor Urb. -- Ark. Bot. 17, no. 7: 52. 1921 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor var. angustifolium Francey -- Candollea 6: 225. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bigibbosum Pittier -- J. Wash. Acad. Sci. 22: 25, 35. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bigibbosum Pittier -- J. Wash. Acad. Sci. 1932, xxii. 35. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum billbergianum Beurl. -- Kongl. Vetensk.-Akad. Handl. (1854) 140. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schum. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schult. var. latifolium Francey -- Candollea 6: 211. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bolivianum Francey -- Candollea vi. 230 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bolivianum Francey -- Candollea 6: 230. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bonariense Dunal -- Prodr. [A. P. de Candolle] 13(1): 666. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bonariense Dunal -- Prodr. [A. P. de Candolle] 13(1): 666. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bourgeauianum Fernald -- Proc. Amer. Acad. Arts 35: 572. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bourgeauianum Fernald -- Proc. Amer. Acad. Arts xxxv. 572. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertifolium Francey -- Candollea vi. 354 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertifolium Francey -- Candollea 6: 354. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertifolium Francey var. longipedicellatum Francey -- Candollea 6: 355. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertum Mill. -- Gard. Dict., ed. 8. n. 5. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 153. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 53. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum confertum var. grandifolium Francey -- Candollea 6: 222. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum conglomeratum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 156. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum conglomeratum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 156, fig. a. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum conglomeratum Ruiz & Pav. var. kunthii Dunal -- Prodr. [A. P. de Candolle] 13(1): 621. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum conglomeratum Ruiz & Pav. var. similans J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(V-B, 1): 97. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum contrerasianum A.K.Monro -- PhytoKeys 8: 55 (-59 ; fig. 3). 2012 [4 Jan 2012] [epublished]

Purified Cestrum corcovadense Miers -- London J. Bot. 5: 160. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum cordatum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 224. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum coriaceum Miers -- London J. Bot. 5: 161. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum coriaceum Miers -- London J. Bot. 5: 161. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum corymbosum Schltdl. -- Linnaea 7: 57. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum corymbosum var. grandifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 622. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum corymbosum var. hirsutum Francey -- Candollea 7 (preprint): 60. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum corymbosum var. parvifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 622. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Ser. 13(V-B, 1): 101. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum farinosum Urb. & Ekman -- Ark. Bot. 22A(10): 56. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum farinosum Urb. & Ekman -- Ark. Bot. 22A(10): 56. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculare Otto ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 673. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculatum Miers -- London J. Bot. 5: 151. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculatum var. gracile Schltdl. -- Linnaea 19: 261. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculiflorum Taub. -- Bot. Jahrb. Syst. 15(5, Beibl. 38): 17. 1893 [24 Feb 1893] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculiflorum Taub. -- Bot. Jahrb. Syst. 15(5, Beibl. 38): 17. 1893 [24 Feb 1893] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jan -- Cat. Hort. Parm. 189, 10. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 44, fig. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 44, t. 330. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum faucheri Dunal -- Prodr. [A. P. de Candolle] 13(1): 640. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ferrugineum A.Rich. -- Hist. Fis. Cuba 11: 126. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum filipes Urb. & Ekman -- Ark. Bot. 22A(10): 53. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum filipes Urb. & Ekman -- Ark. Bot. 22A(10): 53. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavescens Greenm. -- Proc. Amer. Acad. Arts 34: 572. 1899 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavescens Greenm. -- Proc. Amer. Acad. Arts xxxiv. 572. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavinervium Francey -- Candollea 7 (preprint): 63. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavinervium Francey -- Candollea vii. 63 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavovirens Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 371, fig. 10. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flavovirens Witasek -- in Denkschr. Akad. Wiss. Wien lxxix. 371 (1910); Just's Bot. Jahresb. 1911, xxxix. 11. 304. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flexuosum Francey -- Candollea vi. 179 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum flexuosum Francey -- Candollea 6: 179. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum floribundum Britton -- Mem. Torrey Bot. Club 6: 92. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum floribundum Britton ex Rusby -- Mem. Torrey Bot. Club vi. 92 (non Willd.). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum floribundum Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential

use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glanduliferum Kerber ex Francey -- Candollea vi. 386 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glanduliferum Kerber ex Francey -- Candollea 6: 386. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucescens Sendtn. -- Fl. Bras. (Martius) 10: 222. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucophyllum Francey. -- Candollea vi. 149 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucophyllum Francey -- Candollea 6: 149. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glomeratum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 212. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum gracile Francey -- Candollea 6: 366. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum gracile Francey -- Candollea vi. 366 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 669. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Francey -- Candollea vi. 255 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Francey -- Candollea 6: 255. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Francey -- Candollea vii. 17 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Francey -- Candollea 7 (preprint): 17, pl. 3, fig. 5. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grande Pittier -- J. Wash. Acad. Sci. 1932, xxii. 32. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grande Pittier -- J. Wash. Acad. Sci. 22: 25, 32. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandiflorum hort. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 337. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandifolium Francey -- Candollea vi. 263 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandifolium Francey -- Candollea 6: 263. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandistipulum Sendtn. -- Fl. Bras. (Martius) 10: 214. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandistipulum var. exstipulatum Sendtn. -- Fl. Bras. (Martius) 10: 214. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum Chodat & Hassl. -- Bull. Herb. Boissier ser. 2, 4: 85. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum Chodat & Hassl. -- Bull. Herb. Boissier Ser. II. iv. 85. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum f. latifolia Hassl. -- Trab. Mus. Farmacol. 21: 108. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey -- Candollea 6: 98. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey -- Candollea vi. 98 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey var. gracile C.V.Morton -- J. Arnold Arbor. 17: 349. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum haberi A.K.Monro -- PhytoKeys 8: 65 (-69; fig. 6). 2012 [4 Jan 2012] [epublished], as 'haberii'

Purified Cestrum hartwegii Dunal -- Prodr. [A. P. de Candolle] 13(1): 599. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hartwegii var. pedicellatum Francey -- Candollea 6: 117. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hartwegii var. pubescens N.E.Br. -- Gard. Chron. 19: 656. 1883 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hassleri Francey -- Candollea 6: 307. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hassleri Francey -- Candollea vi. 307 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediunda Lam. -- Encycl. [J. Lamarck & al.] 1(2): 687. 1785 [1 Aug 1785] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediunda Matr. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 647. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediundinum Dunal -- Prodr. [A. P. de Candolle] 13(1): 647. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum herzogii Dammer -- Meded. Rijks-Herb. 29: 28. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum herzogii Dammer -- Meded. Rijks-Herb. 29: 28. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterofractum H.Buek -- Prodr. [A. P. de Candolle] Index, 3: 93, sphalm. [late 1858/early 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterophyllum Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterophyllum Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirsutum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 41, t. 324. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtellum Schltdl. -- Linnaea 7: 62. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtellum Schltdl. -- Linnaea 7: 62. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtum Sieber ex Sendtn. -- Fl. Bras. (Martius) 10: 210. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtum Sw. -- Prodr. [O. P. Swartz] 49. 1788 [20 Jun-29 Jul 1788] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum honduro-nicaraguense C.Nelson -- Anales Jard. Bot. Madrid 57(2): 423. 1999 [1999 publ. Jan 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Purified Cestrum magnifolium Francey -- Candollea 6: 223. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum magnifolium Francey -- Candollea vi. 223 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum maleolens J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 108. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum maleolens J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13: 108. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mancoi J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 109. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mancoi J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13: 109. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mandonii Rusby -- Bull. New York Bot. Gard. 4: 425. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mandonii Rusby -- Bull. New York Bot. Gard. iv. 425 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mariquitense Kunth -- Nov. Gen. Sp. [H.B.K.] iii 57. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mariquitense Kunth -- Nov. Gen. Sp. [H.B.K.] 3: 57. 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mariquitense Kunth var. latifolium (Francey) Standl. & C.V.Morton -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1049. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum marmoratum Urb. & Ekman -- Ark. Bot. 21A(5): 62. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum marmoratum Urb. & Ekman -- Ark. Bot. 21A(5): 62. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum martii Sendtn. -- Fl. Bras. (Martius) 10: 221. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mathewsii Dunal -- Prodr. [A. P. de Candolle] 13(1): 637. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum megalophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 638. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum megalophyllum Dunal -- Prodr. [A. P. de Candolle] 13(1): 638. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sparsifolium Britton ex Rusby -- Bull. Torrey Bot. Club 1900, 22. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum spermacocifolium Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 808. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sphaerocarpum O.E.Schulz -- Symb. Antill. (Urban). 5(3): 491. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sphaerocarpum O.E.Schulz -- Symb. Antill. (Urban). 5(3): 491. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sphaerocarpum O.E.Schulz var. latifolium O.E.Schulz ex O.C.Schmidt -- Repert. Spec. Nov. Regni Veg. 32: 89. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum spicatum Mill. -- Gard. Dict., ed. 8. [unpaged] Cestrum no. 4. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum spicatum Mill. -- Gard. Dict., ed. 8. n. 4. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum spigelioides Zucc. ex Francey -- Candollea vi. 113 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sprucei Francey -- Candollea vi. 202 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sprucei Francey -- Candollea 6: 202. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum spurium Hort.Genev. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 617. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum standleyi Francey -- Candollea vi. 249 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red

Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum standleyi Francey -- Candollea 6: 249. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stipulatum Vell. -- Fl. Flumin. 101. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 5. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strictum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 208. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigilatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29 (t. 156). 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 156. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. calycinum (Kunth) Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. laxiflorum Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. tenuiflorum Francey -- Candollea 6: 144. 1935 4681 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. tenuiflorum Francey -- Candollea 6: 144. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey -- Candollea vii. 7 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey -- Candollea 7 (preprint): 7, pl. 2(37). 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey var. cuspidatum Francey -- Candollea 7 (preprint): 9. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey var. longispicatum Francey -- Candollea 7 (preprint): 8. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suaveolens Rusby -- Bull. New York Bot. Gard. iv. 426 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suaveolens Rusby -- Bull. New York Bot. Gard. 4: 426. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura fastuosa var. flaviflora O.E.Schulz as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura × ferocissima Cabanes & P.Fourn. -- Le Monde des Plantes 1934, xxxv. 14. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura ferox L. -- Amoenitates Academicae 3 1756 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura ferox L. -- Demonstr. Pl. 6. 1753 [3 Oct 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura ferox Nees -- Trans. Linn. Soc. London 17(1): 75. 1834 [1837 publ. 26 Apr-8 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura floribunda Paxton -- Mag. Bot. ix. (1842) 3. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura frutescens hort. -- ex Vilmorins Blumeng., ed. 3 Sieb. & Voss, i. 727 (1895), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura fruticosa Hornem. -- Hort. Bot. Hafn. i. 212. 1813 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura gardneri Hook. -- Bot. Mag. 72: sub t. 4252. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura gigantea C.Huber -- Wochenschr. Vereines Beförd. Gartenbaues Konigl. Preuss. Staaten 10: 101 (1867);. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura gigantea C.Huber -- Cat. Graines 1867 [Huber] 4. 1867 [Jan 1867] ; cf. D.J. Mabberley in Taxon, 34(3): 450. 1985 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura guayaquilensis Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 8. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura humilis Desf. -- Tabl. École Bot., ed. 3 (Cat. Pl. Horti Paris.) 396. 1829 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura hummatu Bernh. -- Neues J. Pharm. Aerzte 26: 153. 1833 : . -Cf. Linnaea 8(Litt.): 141. 1833 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Datura hummatu Bernh. var. dubia Bernh. -- Neues J. Pharm. Aerzte 26: 153. 1833 : cf., Linnaea 8 (Litt.): 141. 1833

Purified Datura hummatu Bernh. var. fastuosa Bernh. -- Neues J. Pharm. Aerzte 26: 153. 1833 : cf., Linnaea 8 (Litt.): 141. 1833 ; nom. inval.

Purified Diamonon Raf. -- Fl. Tellur. 2: 76. 1837 [1836 publ. Jan-Mar 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Diamonon coriaceum Raf. -- Fl. Tellur. 2: 76. 1837 [1836 publ. Jan-Mar 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx Hook.f. -- Proc. Linn. Soc. London i. 277. 1846 [May 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx Hook.f. -- Proc. Linn. Soc. London 1(28): 277. 1846 [May 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx miersii Hook.f. -- Trans. Linn. Soc. London 20: 203. 1847 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx miersii Hook.f. -- Trans. Linn. Soc. London 20(2): 203. 1847 [1851 publ. 11 Dec 1847] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx multivalvis (Lindl.) Hook.f. ex Walp. -- Repert. Bot. Syst. (Walpers) 6(3): 572. 1847 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dictyocalyx quadrivalvis (Pursh) Hook.f. ex Walp. -- Repert. Bot. Syst. (Walpers) 6(3): 572. 1847 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dierbachia Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 512, 676. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dierbachia acnistodes Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dierbachia acnistodes Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dierbachia australis (Griseb.) Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dierbachia australis Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Duboisia hopwoodii F.Muell. -- Fragm. (Mueller) 8(69): 232. 1874 [Sep 1874] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Duboisia leichhardtii F.Muell. -- S. Sci. Rec. ii. (1882) 222. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Duboisia leichhardtii (F.Muell.) F.Muell. -- Systematic Census of Australian Plants 1883 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Duboisia myoporoides R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Duboisia myoporoides R.Br. -- Prodr. Fl. Nov. Holland. 448. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dulcamara Hill. -- Brit. Herb. 326 (1756); Druce in Rep. Bot. Exch. Cl. Brit. Isles, 1913, iii.438:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dulcamara Moench -- Methodus (Moench) 514 (1794). [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dulcamara flexuosa Moench -- Methodus (Moench) 514 (1794). [4 May 1794] ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dulcamara lignosa Gilib. -- Fl. Lit. Inch. i. 37. 1782 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia Kunth -- Nov. Gen. Sp. [H.B.K.] 3: 55 (ed. qu.); 43 (ed. f.). 1818 [Sep 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 55. t. 194 (1818). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia achalensis Dammer -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 57. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia achalensis Dammer -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 57. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia acnistoides Miers -- London J. Bot. 7: 338. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia acnistoides Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia angustifolia Dammer -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 54. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia angustifolia Dammer -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 54. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia arborescens (L.) Sleumer -- Lilloa xxiii. 124 (1950). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia arborescens (L.) Sleumer -- Lilloa 23: 124. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia arborescens (L.) Sleumer var. campanulata (Lam.) J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(V-B, 1): 45. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia aurantiaca Dunal -- Prodr. [A. P. de Candolle] 13(1): 527. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia australis (Griseb.) Sleumer -- Lilloa xxiii. 137 (1950). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia australis (Griseb.) Sleumer -- Lilloa 23: 137. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Dunalia besseri Dammer -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 56. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus fasciculatus Benth. -- Pl. Hartw. [Bentham] 49. 1840 [Mar 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus hartwegii Seem. -- Bonplandia 7: 15. 1859 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus helleri hort. ex Francey -- Candollea vi. 124 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus huegelii Regel -- Bot. Zeitung (Berlin) 9: 596. 1851 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus magnificus hort. ex Francey -- Candollea vi. 113 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus newellii Hort.Veitch. -- Gard. Chron. n.s. 7: 424. 1877 [7 Apr 1877] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus paniculatus M.Martens & Galeotti -- in Bull. Acad. Brux. xii. (1845) 148. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus porphyreus Seem. -- Bonplandia 7: 15. 1859 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus purpureus Lindl. -- Edwards's Bot. Reg. 30(Misc.): 12, t. 43. 1844 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus purpureus Lindl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus roseus Miers -- Illustr. S. Am. Pl. il. 81. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus schottii Heller ex Francey -- Candollea vi. 108 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus stellatus Lem. -- in Fl. des Serres Ser. I, ii. (Fevr. 1846) sub t. 9. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus tomentosus Benth. -- Pl. Hartw. [Bentham] 49. 1840 [Mar 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus villosus hort. ex Francey -- Candollea vi. 119 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Habrothamnus zephirinae hort. ex Francey -- Candollea vi. 115 (1935), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton Hunz. -- Kurtziana 10: 39. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton Hunz. -- Kurtziana 10: 39. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races

(Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton breviflorum (Dunal) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton breviflorum (Dunal) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton klugii Hunz. -- Kurtziana 10: 40 (-42), fig. 11H-Q. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton klugii Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton ochraceum (Cuatrec.) A.Orejuela & C.I.Orozco -- Taxon 66(2): 389. 2017 [1 May 2017]

Purified Hawkesiophyton panamense (Standl.) Hunz. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton panamense (Standl.) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton panamensis (Standl.) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton ulei (Dammer) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hawkesiophyton ulei (Dammer) Hunz. -- Kurtziana 10: 40. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hebecladus Miers -- London J. Bot. 4: 321. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hebecladus Miers -- London J. Bot. 4: 321. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hebecladus asperus Ruiz & Pav. -- London J. Bot. 4: 322. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hebecladus asperus Miers -- London J. Bot. 4: 322. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Purified Herschelia T.E.Bowdich -- Exc. Madeira 35. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Herschelia edulis (Sims) T.E.Bowdich -- Exc. Madeira 159 (34-35). 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Herschellia Bartl. -- Ord. 194 (1830). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Heteranthia Nees & Mart. -- Nova Acta Phys.-Med. Acad. Caes. Leop.-Carol. Nat. Cur. 11(1): 41. 1823 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Heteranthia decipiens Nees & Mart. -- Nova Acta Phys.-Med. Acad. Caes. Leop.-Carol. Nat. Cur. 11(1): 41. 1823 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himenanthus Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 768 (1840) sphalm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus Endl. -- Gen. Pl. [Endlicher] 666. 1839 [Jan 1839] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus ameghinoi Speg. -- Anales Soc. Ci. Argent. liii. 142. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus ameghinoi Speg. -- Nov. Add. Fl. Patag. ii. (1902), repr. 44. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus ameghinoi Speg. -- Anales Soc. Ci. Argent. 53: 142. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus erosus Miers -- London J. Bot. 4: 346. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus linkii Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 768. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus magellanicus Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 6: 128. 1856 ; a preprint, Syst. Bemerk. was published in 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Himeranthus magellanicus Griseb. -- Abh. Königl. Ges. Wiss. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus bipinnatisectus Boiss. -- Diagn. Pl. Orient. ser. 1, 7: 36. 1846 [Jul-Oct 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus bohemicus F.W.Schmidt -- Fl. Boem. iii. 31. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus bornmuellerianus Pascher ex Bornm. -- Beih. Bot. Centralbl., Abt. 2. 61 Abt. B: 106, sine descr. lat. 1941 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus bornmulleri Khat. -- Iran. J. Bot. 7(1): 32 (1996). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus boveanus Asch. & Schweinf. -- (Illustr. Fl. Egypt.) in Mem. Inst. Egypt. ii. (1887) 113. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus camerarii Fisch. & C.A.Mey. -- Index Seminum [St.Petersburg (Petropolitanus)] iv. 38. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus canariensis Ker Gawl. -- Bot. Reg. 3: t. 180. 1817 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus ceratophyllus Fisch. ex Steud. -- Nomencl. Bot. [Steudel] 418. 1821 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus chloranthus Wender. -- in Schrift. Ges. Bef. Gesammt. Naturw. Marb. ii. 244 (1831). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus chloranthus Wender. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 785. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus clusii G.Don -- Hort. Brit. [Sweet], ed. 2. 382. 1830 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus coelesyriacus Bornm. -- Beih. Bot. Centralbl., Abt. 2. 31(2): 244. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus cylindrocalyx Rech.f. -- Ark. Bot. ser. 2, 2: 420. 1952 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus datora Forssk. -- Fl. Aegypt.-Arab. 45. 1775 [1 Oct 1775] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus desertorum (Asch. ex Boiss.) Täckh. -- Svensk Bot. Tidskr. 36: 252. 1942 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus eminens Kunze -- Del. Sem. Hort. Lips. (1847). Cf. Linnaea, xxiv. (1851) 176. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus falezlez Coss. -- Bull. Soc. Bot. France 11: 166, t. 5. 1864 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus flaccidus C.H.Wright -- Bull. Misc. Inform. Kew 1895(104): 184. [Aug 1895] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus gallagheri A.G.Mill. & Biagi -- Notes Roy. Bot. Gard. Edinburgh 45(1): 70. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus grandiflorus Franch. -- Sert. Somal. 48. 1882 [Jun-Jul 1882] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus insanus Stocks -- Hooker's J. Bot. Kew Gard. Misc. 4: 178. 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus issa-sadiqi Parsa -- Fl. Iran [Parsa] 4(2): 1377. 1951 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus kopetdaghi Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 11: 144. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Purified Hyoscyamus pungens Griseb. -- Spic. Fl. Rumel. 2(4): 52. 1844 [Jul 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus purpureus Griseb. -- Spic. Fl. Rumel. 2(4): 52, in nota. 1844 [Jul 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus pusillus L. -- Sp. Pl. 1: 180. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus reticulatus L. -- Sp. Pl., ed. 2. 1: 257. 1762 [Sep 1762] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus rosularis Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 76. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus saguntinus Pau -- Not. Bot. Fl. Españ. iii. (1889) 34, nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus scopolia L. -- Mant. Pl. 46. 1767 [15-31 Oct 1767] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus senecionis Willd. -- Enum. Pl. [Willdenow] 1: 228. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus squarrosus Griff. -- Not. Pl. Asiat. 4: 95. 1854; Icon. Pl. Asiat. t. 413. 1854. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus syspirensis K.Koch -- Linnaea 22: 736. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus tenuicaulis Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 77. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus tibesticus Maire -- Bull. Mus. Natl. Hist. Nat. 1932, Ser. II. iv. 909. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus turcomanicus Pojark. -- Bot. Zhurn. S.S.S.R. 27: 127. 1942 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus varians Vis. -- Flora 12(1, Ergänzungsbl.): 7. 1829 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus verviensis Lej. -- Fl. Spa i. 116. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus vulgaris L. -- Fl. Angl. (Linnaeus) 12. 1754 [3 Apr 1754] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus vulgaris Neck. -- Delic. Gallo-Belg. i. 122. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyoscyamus vulgaris Bubani -- Fl. Pyren. (Bubani) 1: 351. 1897 [Oct-Nov 1897] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hyosicamus Hill -- Veg. Syst. vii. 51 (1765) sphalm. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hypnoticon Rchb. -- Deut. Bot. Herb.-Buch 122. 1841 [Jul 1841] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hypnoticum Rod. ex Meisn. -- Pl. Vasc. Gen. [Meisner] 2: 184. 1840 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hypnoticum frutescens Rod. ex Boiss. -- Voy. Bot. Espagne 2: 437. 1841 [1 Mar 1841] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Hypnoticum somniferum Rod. ex Boiss. -- Voy. Bot. Espagne 2: 436. 1841 [1 Mar 1841] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma Benth. -- Edwards's Bot. Reg. 31: ad t. 20. 1845 [1 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma Benth. -- Edwards's Bot. Reg. 31: t. 20. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma sect. Lehmannia Hunz. -- Kurtziana 10: 21. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma sect. Spinosa Hunz. -- Kurtziana 10: 21. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma albianthum S.Leiva -- Arnaldoa 12(1-2): 72 (-76; figs. 1-2, 4D1). 2005

Purified Iochroma amicorum M.A.Cueva, S.D.Sm. & S.Leiva -- Phytotaxa 227(2): 149. 2015 [23 Sep 2015] [epublished]

Purified Iochroma arborea Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 19: 219. 1874 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma arboreum Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 19: 219. 1874 Plantae Lorentzianae p. 171 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma australe Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 19: 218. 1874 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma australis Griseb. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma ayabacense S.Leiva -- Arnaldoa 12(1-2): 76 (-80; figs. 3-4). 2005

Purified Iochroma barbozae S.Leiva & Deanna -- Arnaldoa 20(1): 28. 2014 [2013 publ. Nov 2014]

Purified Iochroma baumii S.D.Sm. & S.Leiva -- Novon 21(4): 493. 2011 [29 Dec 2011]

Purified Iochroma benthamiana Van Heurck & Müll.Arg. -- Observ. Bot. (Van Heurck) 133. 1871 [10 Sep 1871] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma brevistamineum Dammer -- Bot. Jahrb. Syst. 36(4): 387. 1905 [20 Aug 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma brevistamineum Dammer -- Bot. Jahrb. Syst. 36(4): 387. 1905 [20 Aug 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cachicadanum S.Leiva -- Arnaldoa 21(2): 282. 2015 [2014 publ. 15 Jan 2015]

Purified Iochroma calycina Benth. -- Edwards's Bot. Reg. 31: sub t. 20. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cardenasianum Hunz. -- Kurtziana 10: 21. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cardenasianum Hunz. -- Kurtziana 10: 21 (-23). 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma coccinea Scheidw. -- in Fl. des Serres Ser. II, ii. (1857) 151. t. 1261. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma confertiflorum (Miers) Hunz. -- Kurtziana 15: 100 (1982):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma confertiflorum (Miers) Hunz. -- Kurtziana 15: 100. 1982 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cornifolia (Kunth) Miers -- London J. Bot. 7: 347. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cyanea M.L.Green -- Standard-Sp. Nomina Conservanda 54, 63. 1926 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cyaneum (Lindl.) M.L.Green -- in Internat. Bot. Congr. Cambr. 1930: Nomencl. Proposals Brit. Botanists, 107,No. 7382 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma cyaneum M.L.Green -- Stand.-Sp. Nom. Conserv. 54, 63 (1926). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma edule S.Leiva -- Arnaldoa 3(1): 41. 1995 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma edule Leiva -- Arnaldoa 3: 41, fig. 1995 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma elliptica (Hook.f.) Hunz. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma ellipticum (Hook.f.) Hunz. -- Kurtziana 10: 21. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma ellipticum (Hook.f.) Hunz. -- Kurtziana 10: 21. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma flavum André -- Rev. Hort. [Paris]. 1898, 360. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma flavum André -- Rev. Hort. [Paris]. 70: 360. 1898 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma fuchsioides Miers -- London J. Bot. 7: 345. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma gesnerioides (Kunth) Miers -- London J. Bot. 7: 346. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Iochroma gesnerioides (Kunth) Miers -- London J. Bot. 7: 346. 1848 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Purified Jaltomata viscosa (Schrad.) D'Arcy & Tilton Davis -- Ann. Missouri Bot. Gard. 63(2): 363. 1977 [1976 publ. 1977] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on

its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata weberbaueri (Dammer) Mione -- Novon 2: 383. 1992 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata weberbaueri (Dammer) Mione -- Novon 2(4): 383. 1992 [22 Dec 1992] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata werffii D'Arcy -- Phytologia 52(1): 9. 1982 as 'werfii'; also see l.c. 52(4): 230 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata werffii D'Arcy -- Phytologia 52: 9. 1982 , as ' werfii' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata whalenii S.Knapp, Mione & Sagást. -- Brittonia 43(3): 181 (1991). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata whalenii S.Knapp, Mione & Sagást. -- Brittonia 43: 181, fig. 1. 1991 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata yacheri S.Leiva & Mione -- Novon 17(1): 55 (58; fig. 5). 2007 [23 Apr 2007]

Purified Jaltomata yungayensis Mione & S.Leiva -- Novon 10(1): 58. 2000 [17 Apr 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltomata yungayensis Mione & S.Leiva -- Novon 10(1): 58 (-59; fig. 3). 2000 [17 Apr 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jaltonia Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 796 (1840). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides Medik. -- Philos. Bot. (Medikus) 1: 134. 1789 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides Duhamel -- Traité Arbr. Arbust. (Duhamel) i. 305 (1755); vide Dandy, Ind. Gen. Vasc. Pl. 1753-74(Regn. Veg. li.) 57 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides afra Medik. -- Philos. Bot. (Medikus) 1: 134. 1789 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides flaccida Moench -- Methodus (Moench) 470. 1794 [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides linearifolia Moench -- Suppl. Meth. (Moench) 177. 1802 [2 May 1802] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Jasminoides rhombifolia Moench -- Methodus (Moench) 470. 1794 [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Juanulloa Ruiz & Pav. -- Prod. Fl. Per. 27. t. 4 (1794). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Juanulloa aurantiaca Otto & A.Dietr. -- Allg. Gartenzeit. xii. (1844) 266. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Juanulloa bicolor Gleason -- Phytologia 1: 37. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races

(Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Juanulloa bicolor Gleason -- Phytologia i. 37 (1933). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Purified Leptoglossis floridana Small -- N. Amer. Fl. 23(3): 139. 1928 [20 Dec 1928] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis halliana Britton & Rose -- N. Amer. Fl. 23(3): 141. 1928 [20 Dec 1928] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis hamata Standl. -- J. Wash. Acad. Sci. 15: 458. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Leptoglossis linifolia (Miers) Benth. & Hook.f. ex Griseb. -- Symb. Fl. Argent. 241. 1879 [Mar-Apr 1879]

Purified Leptoglossis linifolia (Miers) Jackson as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Leptoglossis linifolia Benth. & Hook.f. -- Gen. Pl. [Bentham & Hooker f.] 2(2): 909. 1876 [May 1876] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis lomana (Diels) Hunz. -- Kurtziana 10: 46. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis lomana (Diels) Hunz. -- Kurtziana 10: 46. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkiodes Benth. -- Bot. Voy. Sulphur [Bentham] 143. 1845 [14 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides Benth. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides Benth. var. linifolia (Miers) Monach. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red

Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides var. linifolia (Miers) Monach. in Moldenke -- Lilloa 5: 435. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides Benth. var. tenuis (Phil.) Monach. in Moldenke -- Lilloa 5: 435. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides var. typica Monach. in Moldenke -- Lilloa 5: 435. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis schwenkioides var. xerophytica Monach. in Moldenke -- Lilloa 5: 436. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Leptoglossis tenuis Benth. & Hook.f. -- Gen. Pl. [Bentham & Hooker f.] 2(2): 909. 1876 [May 1876] ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Leptoglossis tenuis (Phil.) Benth. & Hook.f. ex B.D.Jacks. -- Index Kew. 2(1): 63. 1894 [27 Oct 1894]

Purified Leptoglossis tenuis (Phil.) Jackson as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis texana A.Gray -- Proc. Amer. Acad. Arts xii. (1877) 164. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptoglossis viscosa (Torr.) Millán -- Darwiniana 5: 489. 1941 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptophragma Benth. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 578. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptophragma montevidensis Benth. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 579. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leptophragma prostrata Benth. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 578. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucanthea Scheele -- Linnaea 25: 258. 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucanthea roemeriana Scheele -- Linnaea 25: 259. 1853 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucophysalis Rydb. -- Mem. Torrey Bot. Club iv. (1893) 365. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucophysalis Rydb. -- Mem. Torrey Bot. Club 4: 365. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucophysalis grandiflora Rydb. -- Mem. Torrey Bot. Club 4: 366. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Leucophysalis grandiflora (Hook.) Rydb. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tibetica Li Bing Zhang & Yi F.Duan -- Phytotaxa 170(4): 280. 2014 [4 Jun 2014] [epublished]

Purified Lycianthes tomentella Rusby -- Bull. Torrey Bot. Club 1926, liii. 211. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tomentella Rusby -- Bull. Torrey Bot. Club 53: 211. 1926 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tricolor Bitter -- Abh. Naturwiss. Vereins Bremen xxiv. 385 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tricolor Bitter -- Abh. Naturwiss. Vereins Bremen 24: 385. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tricolor Bitter var. flavidipila Bitter -- Abh. Naturwiss. Vereins Bremen 24: 387. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tricolor Bitter var. hirsutior Bitter -- Abh. Naturwiss. Vereins Bremen 24: 388. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tricolor Bitter var. primoaurata Bitter -- Abh. Naturwiss. Vereins Bremen 24: 387. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tysoniana D'Arcy -- Ann. Missouri Bot. Gard. 60: 647. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes tysoniana D'Arcy -- Ann. Missouri Bot. Gard. 60(3): 647. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes ulei Bitter -- Abh. Naturwiss. Vereins Bremen xxiv. 437 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes ulei Bitter -- Abh. Naturwiss. Vereins Bremen 24: 437. 1919 [1920] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes ulei Bitter subsp. dolichodonta Bitter -- Abh. Naturwiss. Vereins Bremen 24: 438. 1919 [1920] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes ulei Bitter var. strigulosa Bitter -- Abh. Naturwiss. Vereins Bremen 24: 438. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes umbonata (Symon) A.R.Bean -- Austrobaileya 6(3): 568 (2003).

Purified Lycianthes urnigera Bitter -- Abh. Naturwiss. Vereins Bremen 24: 376. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes urnigera Bitter -- Abh. Naturwiss. Vereins Bremen xxiv. 376 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes valerii C.V.Morton & Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1062. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycianthes valerii C.V.Morton & Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 18: 1062. 1938 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don)

Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Hist. ser. 2, 14(79): 13. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium bachmannii Schinz -- Vierteljahrsschr. Naturf. Ges. Zürich lvii. 558 (Nov.), non L. bachmannii Dammer. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium bachmannii Dammer -- Bot. Jahrb. Syst. 48(1-2): 232. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum L. -- Sp. Pl. 1: 192. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum Mill. -- Gard. Dict., ed. 8. n. 4. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum L. -- Sp. Pl., ed. 2. 1: 277. 1762 [Sep 1762] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum Lam. -- Encycl. [J. Lamarck & al.] 3(2): 509. 1792 [13 Feb 1792] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum L. var. auranticarpum K.F.Ching -- Fl. Reipubl. Popularis Sin. 67(1): 158. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbarum L. var. implicatum T.Y.Chen & Xu L.Jiang -- Guihaia 32(1): 8 (7; fig. 1). 2012 [Jan 2012]

Purified Lycium barbatum Thunb. -- Prodr. Pl. Cap. 1: 37. 1794 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbinodum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 138. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium barbinodum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium berberidoides Correll -- Wrightia iii. 138 (1965) (berberioides). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium berberidoides Correll -- Wrightia 3(7): 138. 1965 berberioides as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium berlandieri Dunal -- Prodr. [A. P. de Candolle] 13(1): 520. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium berlandieri A.Gray -- Proc. Amer. Acad. Arts 6: 47. partim. 1862 : erroneous entry as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium berlandieri Dunal -- Prodr. [A. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium bridgesii (Miers) R.A.Levin, Jill S.Mill. & Bernardello -- Taxon 60(3): 689. 2011 [17 Jun 2011]

Purified Lycium caespitosum Dinter & Dammer -- Bot. Jahrb. Syst. 53(3-5): 353. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray -- Bot. California [W.H.Brewer] 1: 542 (–543). 1876 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray -- Bot. California [W.H.Brewer] i. 542. 1876 [May-Jun 1876] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum var. arizonicum A.Gray -- Syn. Fl. N. Amer., ed. 2. 2(1): 437. 1886 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray var. arizonicum Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray subsp. carinatum (S.Watson) Felger -- J. Arizona Acad. Sci. 6: 83. 1970 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray var. interior F.Chiang -- Bol. Soc. Bot. Méx. 43: 7 (1982). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium californicum Nutt. ex A.Gray var. interior F.Chiang -- Bol. Soc. Bot. México 43: 7. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium campanulatum Drege ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 523. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium campanulatum Dunal -- Prodromus 13(1) 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium campanulatum E.Mey. -- Zwei Pflanzengeogr. Docum. (Drège) 109, nomen. 1843; C. H. Wright in Dyer, Fl.Cap. iv. II. 111 (1904), descr. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium canescens Griff. -- Not. Pl. Asiat. 4: 95. 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium canum Gillies ex Walp. -- Repert. Bot. Syst. (Walpers) iii. 112, nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium capense Mill. -- Gard. Dict., ed. 8. n. 7. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium capillare Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium capillare Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(81): 188. 1854 [Sep 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium capsulare L. -- Cent. Pl. II. 11. 1756 [2 Jun 1756] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium capsulare L. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium

denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carinatum S.Watson -- Proc. Amer. Acad. Arts 24: 65. 1889 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carinatum S.Watson -- Proc. Amer. Acad. Arts xxiv. (1889) 65. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carnosum Poir. -- Encycl. [J. Lamarck & al.] Suppl. 3. 427. 1814 [3 Sep 1814] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carnosum Hort.Monsp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 520. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carnosum Hort.Tonelle ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 510. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter -- Fl. Carol. [Walter] 84. 1788 [Apr-Jun 1788] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter -- Fl. Carol. [Walter] 84. 1788 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum var. arizonicum A.Terracc. -- Malpighia 4: 519. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter var. californicum A.Terracc. -- Malpighia 4: 518. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum var. cedrocense A.Terracc. -- Malpighia 4: 518. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter var. cedrocense Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter var. gaumeri C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 242. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter f. hassei Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum f. hassei A.Terracc. -- Malpighia 4: 518. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter f. jacquiniana Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum f. jacquiniana A.Terracc. -- Malpighia 4: 518. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter var. normale A.Terracc. -- Malpighia 4: 518. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum Walter var. quadrifidum (Dunal) C.L.Hitchc. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium carolinianum var. quadrifidum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 240. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium caroliniaum var. arizonicum Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cedrosense Greene -- Pittonia 1(6): 268. 1889 [20 Mar 1889] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cedrosense Greene -- Pittonia 1(6): 268. 1889 [20 Mar 1889] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cestroides Schltdl. -- Linnaea 7: 70. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cestroides Schltdl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cestroides Schltdl. var. normale A.Terracc. -- Malpighia 4: 534. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chanar Phil. -- Anales Mus. Nac., Santiago de Chile (1891) 68. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chanar Phil. -- Anales Mus. Nac., Santiago de Chile 1891: 68. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chcilense subvar. stenophyllum (J.Rémy) Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero -- Mercurio Chileno 15: 693. 1829 [15 Jun 1829] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero -- Mercurio Chileno 15: 693. 1829 [15 Jun 1829] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero -- Mercurio Chileno 15: 693. 1829 [15 Jun 1829] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. capillare A.Terracc. -- Malpighia 4: 529. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. capillare Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. comberi (C.L.Hitchc.) Bernardello -- Bol. Acad. Nac. Ci. 57: 313. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. comberi (C.L.Hitchc.) Bernardello -- Bol. Acad. Nac. Cienc. (Cordoba) 57(3–4): 313 (1986):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. confertifolium (Miers) F.A.Barkley -- Lilloa 26: 229. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. confertifolium (Miers) Barkley as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. descolei F.A.Barkley -- Lilloa 26: 232. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium chilense Miers ex Bertero var. deserticum Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ciliatum Schltdl. var. latifolium Kuntze -- Revis. Gen. Pl. 3[3]: 221. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ciliatum Schltdl. var. saltense Kuntze -- Revis. Gen. Pl. 3[3]: 221. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cinereum Krauss ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 517. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cinereum Thunb. -- Prodr. Pl. Cap. 1: 57. 1794 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cochinchinense Lour. -- Fl. Cochinch. 1: 134. 1790 [Sep 1790] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium colletioides Dammer -- Bot. Jahrb. Syst. 48(1-2): 234. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium colorans Dammer -- Meded. Rijks-Herb. 29: 22. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium colorans Dammer -- Meded. Rijks-Herb. 29: 22. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium comberi C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 313, fig. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium comberi C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 313, pl. 19, figs. 13-15; pl. 24. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium comberi C.L.Hitchc. -- Ann. Missouri Bot. Gard. 1932, xix. 313. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium comberi C.L.Hitchc. var. donatii F.A.Barkley -- Lilloa 26: 218. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium confertum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium confertum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 137. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium confusum Dammer ex R.E.Fr. -- Ark. Bot. 1: 404. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium confusum Dammer -- Ark. Bot. 1: 404. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cooperi A.Gray -- Proc. Amer. Acad. Arts vii. (1868) 388. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cooperi A.Gray -- Proc. Amer. Acad. Arts 7: 388. 1868 [Jul 1868] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cooperi var. pubiflora A.Gray -- Syn. Fl. N. Amer. 2(1): 238. 1878 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cooperi A.Gray var. pubiflora Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cordatum Mill. -- Gard. Dict., ed. 8. n. 10. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cornifolium Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 54. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cornifolium Kunth -- Nov. Gen. Sp. [H.B.K.] 3: 54. 1818 [late Sep 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium crassifolium Salisb. -- Prodr. Stirp. Chap. Allerton 135. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium crassispina Phil. -- Anales Univ. Chile 91: 25. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium crassispina Phil. -- in Anal. Univ. Chil. xci. 25. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cufodontii Lanza -- Missione Biol. Borana 4: 202. 1939 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cuneatum Dammer -- Bot. Jahrb. Syst. 37(2): 169. 1905 [22 Dec 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cuneatum Dammer -- Bot. Jahrb. Syst. 37(2): 169. 1905 [22 Dec 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cuneatum Dammer var. rojasii F.A.Barkley -- Lilloa 26: 186. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cyathiformum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 218, pl. 14, figs. 32-34; pl. 20. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cyathiformum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 1932, xix. 218. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium cylindricum Kuang & A.M.Lu -- Fl. Reipubl. Popularis Sin. 67(1): 158. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dasystemum Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 13: 268. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dasystemum Pojark. var. rubricaulium A.M.Lu -- Fl. Reipubl. Popularis Sin. 67(1): 158. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium decumbens Welw. ex Hiern -- Cat. Afr. Pl. (Hiern) i. 752. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium densifolium Wiggins -- in Contrib. Dudley Herb. Stanford Univ. i. 198 (1934). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium densifolium Wiggins -- Contr. Dudley Herb. 1: 198, pl. 18, figs. 7-9. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium depressum Stocks -- Hooker's J. Bot. Kew Gard. Misc. 4: 179. 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium depressum Stocks subsp. angustifolium Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 34. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium deserti Phil. -- Fl. Atacam. 43. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium desertii Phil. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium desertii Phil. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dinteri Dammer -- Bot. Jahrb. Syst. 48(1-2): 235. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dispermum Wiggins -- in Contrib. Dudley Herb. Stanford Univ. i. 204 (1934). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dispermum Wiggins -- Contr. Dudley Herb. 1: 204, figs. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium distichum Meyen -- Reise Erde 1: 448. 1834 [25-31 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium divaricatum Rusby -- Bull. New York Bot. Gard. viii. 117 (1912). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium divaricatum Rusby -- Bull. New York Bot. Gard. 8: 117. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dumosum Salisb. -- Prodr. Stirp. Chap. Allerton 136. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dunalianum Bubani ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 509. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium dunalioides Dammer -- Bot. Jahrb. Syst. 53(3-5): 356. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium durispina Dusén -- Wiss. Ergebn. Schwed. Exped. Magellansl. 1895-1897 3, pt. 5: 251, pl. 9, 12. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium durispina Dusén -- Wiss. Ergebn. Schwed. Exped. Magellansl. 1895-1897 3(5): 251. 1900 ; Die Gefässpflanzen der Magellansländer... Svenska Exped. till Magellansl. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium echinatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 515. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium edgeworthii Dunal -- Prodr. [A. P. de Candolle] 13(1): 525. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium eenii S.Moore -- J. Bot. 46: 71. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ellenbeckii Dammer -- Bot. Jahrb. Syst. 48(1-2): 231. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elliotii Dammer -- Bot. Jahrb. Syst. 48(1-2): 229. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongato-cestroides Hieron. ex Seckt -- Fl. Cordob. (Rev. Univ. Nac. Cordoba, xvi-xvii.) 439 (1929-30), nomen, hybr.?. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 136. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum Salisb. -- Prodr. Stirp. Chap. Allerton 136. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum Miers var. longiflorum Hauman as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum var. longifolium Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 24: 416. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium elongatum var. riojana Hieron. ex Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 24: 416. 1913 Nomen nudum as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium emarginatum Dammer -- Bot. Jahrb. Syst. 48(1-2): 226. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium engleri Dammer -- Bot. Jahrb. Syst. 53(3-5): 353. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium erosum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 343. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium erythraeum Schweinf. ex Vatke -- Linnaea 43: 333. 1882 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum Hort.Audib. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 511. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum L. -- Species Plantarum 2 1753 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum Gouan -- Hortus Monsp. 111. 1762 [Apr 1762] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum L. -- Sp. Pl. 1: 192. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum Mérat ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 510. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium europaeum Schimp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 524. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium exsertum A.Gray -- Proc. Amer. Acad. Arts 20: 305. 1885 [26 Jan 1885] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium exsertum A.Gray -- Proc. Amer. Acad. Arts xx. (1885) 305. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fagosum Walp. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fagosum Walp. -- Ann. Bot. Syst. (Walpers) 5(4): 579, sphalm. 1859 [Sep-Dec 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fagosum Walpers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ferocissimum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(81): 187. 1854 [Sep 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ferocissimum Miers -- Annals and Magazine of Natural History ser. 2, 14 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium Gilles ex Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 336. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium Gillies ex Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 336. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium Gillies as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium Gillies var. minutifolium C.Muell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium var. minutifolium Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 337. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium filifolium Gillies var. minutifolium C.Muell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fimbriatum C.L.Hitchc. -- Lilloa V. 225 (1940). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fimbriatum C.L.Hitchc. -- Lilloa 5: 225, fig. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium flaccidum K.Koch -- Dendrologie 2(1): 347. 1872 [Dec 1872] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium flexicaule Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 13: 255. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal -- Prodr. [A. P. de Candolle] 13(1): 513. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 51. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. ciliatum A.Terracc. -- Malpighia 4: 532. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum var. confertum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal var. confertum Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal var. elongatum Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. elongatum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Purified Lycium floribundum Dunal in DC. var. gilliesianum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. gilliesianum Terracino as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. grisebachii Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. grisebachii A.Terracc. -- Malpighia 4: 532. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. infaustum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. normale A.Terracc. -- Malpighia 4: 530. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal var. pruinosum Terracino as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. var. pruinosum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. subvar. puberulum Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red

Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal in DC. subvar. puberulum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum Dunal var. tenuispinosum Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floribundum var. tenuispinosum A.Terracc. -- Malpighia 4: 531. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium floridum Salisb. -- Prodr. Stirp. Chap. Allerton 135. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium foetidum L.f. -- Suppl. Pl. 150. 1782 [1781 publ. Apr 1782] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium foliosum Stocks -- Hooker's J. Bot. Kew Gard. Misc. 4: 179. 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fragosum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 132. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii A.Gray -- Proc. Amer. Acad. Arts vi. (1862) 46. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii A.Gray -- Proc. Amer. Acad. Arts 6: 46 (-47). 1862 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii var. bigelovii A.Gray -- Proc. Amer. Acad. Arts 6: 47. 1862 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii var. bigelowii Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii var. congestum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 295. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii var. gracilipes Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii A.Gray var. gracilipes A.Gray -- Syn. Fl. N. Amer., ed. 2. 2(1): 437. 1886 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fremontii subsp. viscidum Wiggins -- Contr. Dudley Herb. 1: 203, pl. 19, figs. 1-4. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium friesii Dammer -- Bot. Jahrb. Syst. 37(2): 169. 1905 [22 Dec 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium friesii Dammer -- Bot. Jahrb. Syst. 37(2): 169. 1905 [22 Dec 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fuchsioides Hort.Monsp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 603. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fuchsioides Bonpl. -- Pl. Aequinoct. [Humboldt & Bonpland] 1(6): 147. 1807 [Nov 1807] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fuscum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 137. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium fuscum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gariepense A.M.Venter -- S. African J. Bot. 69(2): 161 (2003).

Purified Lycium gelidum Wedd. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gelidum Wedd. -- Chlor. Andina 2: 108. 1859 [1857 publ. 10 Oct 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gelidum Wedd. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium geniculatum Fernald -- Proc. Amer. Acad. Arts xxxv. 566. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium geniculatum Fernald -- Proc. Amer. Acad. Arts 35: 566. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gesnerioides Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 53. 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gesnerioides Kunth -- Nov. Gen. Sp. [H.B.K.] 3(ed. qu.): 53. 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 344. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum var. fuscum (Miers) F.A.Barkley -- Lilloa 26: 198. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum Miers var. fuscum (Miers) Barkley as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum var. longitubum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 269. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gilliesianum var. ruiz-lealii F.A.Barkley -- Lilloa 26: 197. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glandulosissimum Schinz -- Verh. Bot. Vereins Prov. Brandenburg xxxi. (1890) 183. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glaucum Phil. -- Fl. Atacam. 43. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glaucum Phil. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glaucum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(79): 17. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glomeratum Sendtn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glomeratum Sendtn. -- Fl. Bras. (Martius) 10: 154. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glomeratum var. obovatum C.Muell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glomeratum Sendtn. var. obovatum C.Muell. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium glossophyllum Dammer -- Bot. Jahrb. Syst. 48(1-2): 235. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gracile Meyen -- Reise Erde 1: 380. 1834 [25-31 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gracile Meyen as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium graciliflorum Dammer -- Meded. Rijks-Herb. 29: 23. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium graciliflorum Dammer -- Meded. Rijks-Herb. 29: 23. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gracilipes A.Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium gracilipes A.Gray -- Proc. Amer. Acad. Arts xii. (1877) 81. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium grandicalyx Joubert & Venter -- S. African J. Bot. 55(5): 516 (1989). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium grandiflorum Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 82. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium grandifolium Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 698. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium grevilleanum Gillies as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium grevilleanum Gilles ex Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 342. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium griseolum Koidz. -- Bot. Mag. (Tokyo) 38: 103. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium guayaquilense Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 50. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium halimifolium Mill. -- Gard. Dict., ed. 8. n. 6. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium leptacanthum C.H.Wright -- Bull. Misc. Inform. Kew 1909(7): 308. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium longiflorum Phil. -- Anales Univ. Chile 21: 403. 1862 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium longiflorum Phil. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium

denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium longitubum Dammer -- Nova Acta Regiae Soc. Sci. Upsal. ser. 4, 1, no. 1: 104. 1905 Nomen; Engl. Bot. Jahrb. 37: 169. 1905 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium longitubum Dammer -- Bot. Jahrb. Syst. 37(2): 169. 1905 [22 Dec 1905] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium loxense Kunth -- Nov. Gen. Sp. [H.B.K.] 3: 53. 1818 [late Sep 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium loxense Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 53. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macranthum Buchirg. ex Krauss -- Flora 27(2): 829. 1844 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrocalyx Domin -- Biblioth. Bot. lxxxix. 590 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrocalyx Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 89 (Dec. 1929) 590 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrocalyx Dammer -- Bot. Jahrb. Syst. 48(1-2): 232. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrocarpum hort. ex Lavallée -- Énum. Arbres 181. 1877 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrodon A.Gray -- Proc. Amer. Acad. Arts vi. (1862) 46. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrodon A.Gray -- Proc. Amer. Acad. Arts 6: 45. 1862 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrodon A.Gray var. dispermum (Wiggins) F.Chiang -- Bol. Soc. Bot. México 43: 5. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrodon A.Gray var. dispermum (Wiggins) F.Chiang -- Bol. Soc. Bot. Méx. 43: 5 (1982):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrophyllum Benth. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium macrophyllum Benth. -- Pl. Hartw. [Bentham] 49. 1840 [Mar 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium makranicum Schönb.-Tem. -- Fl. Iranica [Rechinger] 100: 39. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium marlothii Dammer -- Bot. Jahrb. Syst. 48(1-2): 233. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii Sendtn. -- Fl. Bras. (Martius) 10: 154. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii Sendtn. -- Fl. Bras. (Martius) 10: 154. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii Sendtn. var. glomeratum A.Terracc. -- Malpighia 4: 534. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii Sendtn. var. normale A.Terracc. -- Malpighia 4: 534. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii Sendtn. var. obovatum Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium martii var. obovatum A.Terracc. -- Malpighia 4: 534. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium mascarenense A.M.Venter & A.J.Scott -- S. African J. Bot. 65(5–6): 428 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium mediterraneum Dunal -- Prodr. [A. P. de Candolle] 13(1): 523. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium megacarpum Wiggins -- Contr. Dudley Herb. 3: 73, tab. 19, fig. 1-3. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium megacarpum Wiggins -- Contr. Dudley Herb. iii. 73 (1940). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium megistocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 510. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Gard. 19: 210. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium morongii Britton var. parvifolium (C.L.Hitchc.) F.A.Barkley -- Lilloa 26: 189. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium morongii var. typicum Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 241. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium namaquense Dammer -- Bot. Jahrb. Syst. 48(1-2): 234. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nanum Phil. -- Anales Univ. Chile 91: 25. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nanum Phil. -- in Anal. Univ. Chil. xci. 25. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium natalense Dammer -- Bot. Jahrb. Syst. 48(1-2): 233. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ningxiaense R.J.Wang & Q.Liao -- Phytotaxa 173(4): 299. 2014 [2 Jul 2014] [epublished]

Purified Lycium nodosum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nodosum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 139. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nodosum var. isthmense (F.Chiang) F.Chiang -- Bol. Soc. Bot. México 43: 6. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nodosum Miers var. isthmense (F.Chiang) F.Chiang -- Bol. Soc. Bot. Méx. 43: 6 (1982), without exact basionym page:. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium normale var. fuscum (Miers) Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium nutans Poepp. ex DC. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium obliquifolium Stokes -- Bot. Mat. Med. i. 418. 1812 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium obovatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 46. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium obovatum Ruiz & Pav. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium

denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium obovatum Buching. ex Krauss -- Flora 27(2): 830. 1844 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium obtusum Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 698. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium odonellii F.A.Barkley -- Lilloa 26: 202. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium odonellii F.A.Barkley -- Lilloa xxvi. 202 (1953). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium omahekense Dammer -- Bot. Jahrb. Syst. 53(3-5): 353. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium oreophilum Wedd. -- Chlor. Andina 2: 108. 1859 [1857 publ. 10 Oct 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium orientale Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(79): 12. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovale Willd. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 527. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovalilobum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 1932, xix. 233. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovalilobum C.L.Hitchc. -- Ann. Missouri Bot. Gard. 19: 233, pl. 14, figs. 29-31; pl. 22. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovalilobum C.L.Hitchc. var. sleumeri F.A.Barkley -- Lilloa 26: 212. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovatum Willd. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 527. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovatum Hort.Monsp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 506. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovatum Loisel. -- in Nouv. Duham. i. 117. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium ovinum Dammer -- Bot. Jahrb. Syst. 53(3-5): 352. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium oxycarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 518. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium oxycladum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(79): 15. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pachyclados Phil. -- in Anal. Univ. Chil. xci. 26. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pachyclados Phil. -- Anales Univ. Chile 91: 26. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red

Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pallidum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(no. 80): 131. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pallidum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(80): 131. 1854 [Aug 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pallidum Miers var. bigelovii (A.Gray) Terracino as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pallidum var. bigelovii A.Terracc. -- Malpighia 4: 520. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pallidum Miers var. cooperi Terrac. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Purified Lycium parishii A.Gray var. modestum (I.M.Johnst.) F.Chiang -- Bol. Soc. Bot. México 43: 6. 1983 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium parviflorum A.Gray -- Proc. Amer. Acad. Arts vi. (1862) 48. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium parviflorum A.Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium parvifolium T.Y.Chen & Xu L.Jiang -- Guihaia 32(1): 6 (-8; fig. 1). 2012 [Jan 2012] ; nom. illeg.

Purified Lycium parvifolium Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 698. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium parvifolium Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 698. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium parvifolium var. peninsulare I.M.Johnst. -- Proc. Calif. Acad. Sci. ser. 4, 12: 1154. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(83): 340. 1854 [Nov 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum Miers var. longiflorum A.Terracc. -- Malpighia 4: 533. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum var. melanopotamicum A.Terracc. -- Malpighia 4: 533. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum var. normale A.Terracc. -- Malpighia 4: 533. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum Miers var. pubescens (Miers) Terrac as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium patagonicum var. pubescens A.Terracc. -- Malpighia 4: 533. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pauciflorum Dammer -- Bot. Jahrb. Syst. 53(3-5): 354. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium paucifolium Rusby -- Mem. Torrey Bot. Club 6: 91. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium paucifolium Rusby -- Mem. Torrey Bot. Club vi. 91. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium penduliflorum I.M.Johnst. -- Physis (Buenos Aires) ix. 318 (1929). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium penduliflorum I.M.Johnst. -- Physis (Buenos Aires) 9: 318. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pendulinum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(79): 20. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pendulum Walp. -- Ann. Bot. Syst. (Walpers) 6(8): 1212. 1865 [Jul-Dec 1865] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium peninsulare Brandegee -- Univ. Calif. Publ. Bot. 6: 359. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium peninsulare Brandegee -- Univ. Calif. Publ. Bot. vi. 359 (1916). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium persicum Miers -- Ann. Mag. Nat. Hist. ser. 2, 14(79): 12. 1854 [Jul 1854] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium peruvianum hort. ex Dippel -- Handb. Laubholzk. i. (1889) 30. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium petraeum Feinbrun -- Collect. Bot. (Barcelona) vii. 373 (1968). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium philippianum Speg. -- Anales Soc. Ci. Argent. 53: 171. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pilifolium C.H.Wright -- Fl. Cap. (Harvey) 4(2.1): 113. 1904 [Feb 1904] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pilosum Dammer -- Bot. Jahrb. Syst. 48(1-2): 227. 1912 [27 Feb 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium piocorreanum Rizzini -- Rodriguésia 28(41): 169. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium piocorreanum Rizzini -- Rodriguésia 41: 169. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium potaninii Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 13: 265. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium pringlei A.Gray -- Proc. Amer. Acad. Arts xx. (1885) 305. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Lycium propinquum G.Don -- Gen. Hist. iv. 459. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Red Rice land races (Dendrobium denudans D. Don and Eulophia dabia (D. Don) Hochreutiner enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com
